

Designed for Customizing

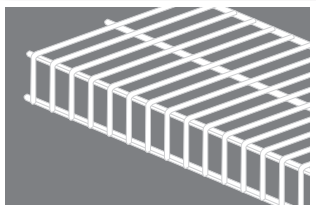

Rubbermaid shelving can be customized to maximize every square inch of storage space.

FreeSlide®

depths available: 12" & 16"

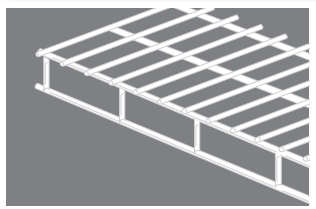

Allows hangers to glide without interruption. Ideal for master closets, kids closets and guest bedrooms.

TightMesh™

depths available: 9", 12", 16" & 20"

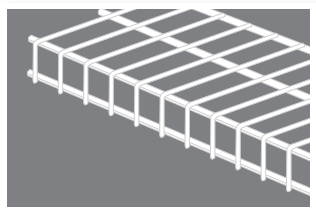

Closely spaced wires make this an extra strong shelf. Also used to prevent small items from tipping.

Wardrobe

depths available: 12" & 16"

Wardrobe shelves are an economical way to organize hanging spaces. Ideal for smaller master closets and bedroom closets.

Linen

depths available: 9", 12", 16" & 20"

Linen shelves are the easiest and most economical way to get organized for stackable items.

Made from sustainable materials, Rubbermaid's wire shelving is coated with a smooth epoxy coating for a hard and durable finish.

- Provides easy gliding surface for hangers
- Resists chipping
- Will not discolor or peel
- Will not become tacky over time

Additional Ventilated Shelving Benefits

- Increases air ventilation
- Prevents mold and mildew
- Resists dust build-up
- Virtually maintenance-free

Rubbermaid

FastTrack

**adjustable
& heavy duty**

Rubbermaid's FastTrack is ideal for storage spaces requiring greater flexibility and strength. FastTrack is completely adjustable and works with all Rubbermaid shelving types. FastTrack can be upgraded with Heirloom Select™ accessories to give it the look of a built-in wood closet system.
